

# Year 3 Spring 1 2021

## We are Communicators

The **skills** we are learning about in this unit are

- understanding of how email works
- Confidence in using email.
- ‘netiquette’ and online safety.

### Vocabulary

**Attachment:** - a computer file sent along with an **email** message

**E-mail:** - messages distributed by electronic means from one computer user to one or more recipients via a network

**E-safety:** - the **safe** and responsible use of technology.

**Spam:** - **e-mail** sent to a large number of addresses and usually containing advertising.

**Phishing:** - Phishing is when scam artists send fake text, email, or pop-up messages to get people to share their personal and financial information.

**Virus:** - Comes from a code that's written specifically to harm a computer.
