

Year 4 Spring 1 2021

We are HTML editors

The skills we are learning about in this unit are to -

- Use HTML tags for elementary mark up.
- Code up a simple web page with useful content.
- Understand some of the risks in using the web.

Vocabulary

Hyper Text Mark-up Language: - (HTML) the language used to make webpages

Tags: - is used to link from one page to another. <p> is an example of a tag

Cascading Style Sheets: - (CSS) is a language used to style webpages and make them look nice
