

## Queen's Platinum Jubilee Day on Friday 27<sup>th</sup> May 2022

Dear Parents/Carers,

We have lots of exciting plans to celebrate the Queen's Platinum Jubilee at the M3 schools.

### Friday 27<sup>th</sup> May

The M3 Schools have organised some special events for our schools to celebrate the jubilee. On the Friday morning, children will visit Meon Infant School to participate in a singing experience, visit Moorings Way Infant school to see a juggler perform on stilts, as well as visit Meon Junior to watch a magician.

For lunch time, children can purchase a street party themed packed lunch by ordering on the class whiteboard in school on the day, so we will make it as authentic a street party as we can. Payment for this meal of £2.20 is via the usual ParentPay website/app. Please note: **There is no other choice** for school meal on Friday 27<sup>th</sup> May other than the street party themed packed lunch.

Hopefully children can eat outside, weather permitting. Class parties will be held in the afternoon with Year 6 students and staff from Meon Junior school helping out at the Infant Schools and lower Junior School classes. It is promising to be a great day!

We invite all children to come in non-school uniform and wear red, white and blue where possible.

The children will be singing a special jubilee song which we will be videoing and sharing with you.

We would ask for a voluntary contribution of £2 to help towards the costs for the day. Please make your donation via ParentMail/payments/shop in the usual way.

Yours sincerely

Mrs Sara Paine

**Headteacher**
