

8th June 2022

Dear Parents and Year 5 Families,

This is a letter to inform you of a very exciting Year 5 trip for the Summer term. We have organised a visit to the Sustainability centre in East Meon as a part of our Energy and Sustainability topic.

The three classes will be going on different days and the dates are as follows:

6th July - 5F

11th July - 5JM

20th July - 5C

We will travel to and from the venue by minibus accompanied by school staff.

The children will need to wear school uniform but may wear sensible walking shoes as we will be walking a lot during the day.

The centre is mostly outdoors so please ensure that your child is prepared with a sun hat/suncream or a coat/raincoat as applicable.

Children will need to have a packed lunch and a water bottle with them. If you qualify for free school meals and your child will need a free school packed lunch ordered, please let your child's class teacher know as soon as possible.

The cost per child is £8.70 per child. Please use Parentmail to give permission and make payment – go to payments and then shop.

As always, if you have any questions or concerns, please contact your child's class teacher in the usual ways.

The Year 5 Team  
Meon Junior School
