Moorings Way Infant School

Meon Junior School

Coronation Celebrations Friday 5th May, 2023

We have lots of exciting plans to celebrate King Charles III Coronation

We would like the children to come to school dressed in something **Red, White and Blue**

Infant School children sportswear - teeshirt/shorts/jogging bottoms

We will be having special arts and crafts activities including:
Making crowns which the children can wear at their "street party" lunch - bunting - a mural in the playground - a banner which can then be displayed.

We will be having a special lunch menu from Chartwells (please note there will be no hot option on this day). A form will be sent out nearer the time for you to select your sandwich or let us know if you will be providing your own packed lunch.

**Meon Infants and Moorings Way Infants
SPONSORED BOUNCE/OBSTACLE COURSE**

This will take place during the morning at each of the Infant Schools (sponsor forms to be sent out today)

Cake Competition

We are inviting adults to enter a Cake for our Coronation themed competition. The winner will receive a rosette and certificate. They will have their photo shared on our Facebook page with the winning design. Cakes to be brought into school on Friday 5th May. Thank you.

We hope the day will be fun packed and the children enjoy celebrating this very momentous occasion. As a memory keepsake the children will be given a **Commemorative Pin**
